

In an age where the online world is at our fingertips, why shouldn't your wealth management be there as well? Our Online Services allow you to access all your wealth investments in one smart place.

Whether you're already registered, or just about to, here are some great features that can help you get the most from your online account.

Online registration:

Registering for Online Services with an activation code allows instant access. If you haven't got a code, please contact your Partner.

Registering online ensures all information is password protected.

Set your preferences:

Set your communication preferences to receive your digital reports and electronic correspondence.

Self-service:

Make payments to Unit Trusts, Retirement Accounts and ISAs. (Please contact your St. James's Place Partner in order to get this process started)

View the value of your investments in a range of currencies and see a breakdown of this valuation.

Instant notifications when a new document is available to view.

Access SJP Insights for the latest investment news.

[Login or sign up for the Online Services here](#) →

Opting online also helps the environment did you know that St. James's Place currently sends over 10.4 million pieces of paper and 3.6 million envelopes per year? Our Online Services allow documentation to be viewed seamlessly online, on-demand and ready when you need it.
